Except as varied hereunder the Laws of Cricket (2000 Code 3rd Edition - 2008) shall apply.

Note: All references to 'Governing Body' within the Laws of Cricket shall be replaced by 'BCCI Match Referee'.

1. Law 1 -The Players

1.1 Law 1.1 -Number of Players

Law 1.1 shall be replaced by the following:

A match is played between two sides. Each side shall consist of 11 players, one of whom shall be captain.

1.2 Law 1.2 -Nomination of Players

Law 1.2 shall be replaced by the following:

Each captain shall provide a list of the names of the 11 players in writing to the BCCI Match Referee before the toss or to the umpires in the absence of the Match Referee. No player may be changed after the toss without the consent of the opposing captain.

1.3 Law 1.3 -Captain

The following shall apply in addition to Law 1.3 (a):

The deputy must be one of the 11 nominated players.

2. Law 2 - Substitutes and Runners, Batsman or Fielder Leaving the Field, Batsman Retiring, Batsman Commencing Innings.

Law 2 shall apply subject to the following:

**2.1 Law 2.5-Fielder absent or leaving the field**

Law 2.5 shall be replaced by the following:

If a fielder fails to take the field with his side at the start of the match or at any later time, or leaves the field during a session of play, the umpire shall be informed of the reason for his absence, and he shall not thereafter come on to the field during a session of play without the consent of the umpire. The umpire shall give such consent as soon as practicable.

If the player is absent from the field for longer than 8 minutes:

- 2.1.1 the player shall not be permitted to bowl in that innings after his return until he has been on the field for at least that length of playing time for which he was absent.
- 2.1.2 the player shall not be permitted to bat unless or until, in the aggregate, he has returned to the field and/or his side's innings has been in progress for at least that length of playing time for which he has been absent or, if earlier, when his side has lost five wickets.

The restriction in Clauses 2.1.1 and 2.1.2 above shall not apply if the player has suffered an external blow (as opposed to an internal injury such as a pulled muscle) whilst participating earlier in the match and consequently been forced to leave the field. Nor shall it apply if the player has been absent for very exceptional and wholly acceptable reasons (other than injury or illness).

In the event of a fieldsman already being off the field at the commencement of an interruption in play through ground, weather or light conditions or for other exceptional circumstances, he shall be allowed to count any such stoppage time as playing time, provided that he personally informs the umpires when he is fit enough to take the field had play been in progress.

2.1.3. Substitute fielders shall only be permitted in cases of injury, illness or other wholly acceptable reasons. 'Wholly acceptable reasons' should be limited to extreme circumstances and should not include what is commonly referred to as a 'comfort break.'

3. Law 3 - The Umpires**3.1 Law 3.1 -Appointment and attendance**

Law 3.1 shall be replaced by the following:

The following rules for the selection and appointment of umpires shall be followed as far as it is practicable to do so:

- (d) The third umpire shall call for as many replays from any camera angle as is necessary to reach a decision. As a guide, a decision should be made within 30 seconds whenever possible, but the third umpire shall have discretion to take more time in order to finalise a decision.

(Where available and as an alternative to the red/green light system, the big replay screen may be used for the purpose of conveying the third umpire's decision).

**THE BOARD OF CONTROL FOR CRICKET IN INDIA**

- (d) When reviewing the TV replay(s), if the third umpire finds the batsman has been bowled rather than hit wicket or stumped, he shall indicate that the batsman was dismissed.

3.2.3 Caught Decisions

The on-field umpire shall be entitled to refer an appeal for a caught decision to the third umpire in the following circumstances:

A decision is to be made immediately and cannot be changed thereafter.
- (b) An on-field umpire wishing the assistance of the third umpire in these circumstances shall communicate with the third umpire by use of a two-way radio and the third umpire will convey his decision to the on-field umpire by this method.

21.2.1 Save for circumstances where a match is awarded to a team as a consequence of the opposing teams refusal to play (Law 21.3), a result can be achieved only if both teams have had the opportunity of batting for at least 5 overs, unless one team has been all out in less than 5 overs or unless the team batting second scores enough runs to win in less than 5 overs.

21.2.2 Save for circumstances where a match is awarded to a team as a consequence of the opposing team's refusal to play (Law 21.3), all matches in which both teams have not had an opportunity of batting for a minimum of 5 overs, shall be declared no result.

21.3 Law 21.3 - Umpire (Referee) awarding a match

Law 21.3 shall be replaced by the followings

- a) A match shall be lost by a side which either
 - i) concedes defeat or

The Referee shall together with the umpires ascertain the cause of the action. If the Referee, after due consultation with the umpires, then decides that this action does constitute a refusal to play by one side, he shall so inform the captain of that side. If the captain persists in the action the Referee shall award the match in accordance with (a) (ii) above.*
- c) If action as in b) above takes place after play has started and does not constitute a refusal to play the delay or interruption in play the delay or interruption in play shall be dealt with in the same manner as provided for in clause 12.4.2 above.

21.6 Interrupted or Prematurely Terminated Matches - Calculation of the Target Score

21.6.1 Interrupted Matches – Calculation of the Target Score

If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than originally allotted (minimum of 5 overs), then a revised target score (to win) should be set for the number of overs which the team batting second will have the opportunity of facing. This revised target is to be calculated using the current VJD system method. The target set will always be a whole number and one run less will constitute a Tie.

21.6.2 Prematurely Terminated Matches

If the innings of the side batting second is suspended (with at least 5 overs bowled) and it is not possible for the match to be resumed, the match will be decided by comparison with the VJD system 'Par Score' determined at the instant of the suspension by the VJD system method. If the score is equal to the par score, the match is a Tie. Otherwise the result is a victory, or defeat, by the margin of runs by which the score exceeds, or falls short of, the Par Score.

21.7 Correctness of result

Any query on the result of the match as defined in Laws 21.2, 21.3 21.4, 21.8 and 21.10 (as modified by these regulations) shall be resolved as soon as possible and a final decision made by the umpires at close of play.

21.8 Points

Preliminary Matches – League Phase

In a competition at league level following points system shall apply:

THE BOARD OF CONTROL FOR CRICKET IN INDIA

Win 4 points
Tie or No Result .. 2 points
Loss 0 points

In the event of teams finishing on equal points in the points table at the end of the League, the position of the teams will be decided as under:

- The team with the most number of wins
- If still equal, the team with the highest net run rate.
- In the unlikely event that Teams can not be separated by the above, this will be done by drawing lots.

A team's net run rate is calculated by deducting from the average runs per over scored by that team throughout the competition, the average runs per over scored against that team throughout the competition.

In the event of a team being all out in less than its full quota of overs, the calculation of its net run rate shall be based on the full quota of overs to which it would have been entitled and not on the number of overs in which the team was dismissed.

Only those matches where results are achieved will count for the purpose of net run rate calculations. Where a match is abandoned, but a result is achieved under VJD System, for net run rate purposes Team 1 will be accredited with Team 2's Par Score on abandonment off the same number of overs faced by Team 2. Where a match is concluded but with VJD System having been applied at an earlier point in the match, Team 1 will be accredited with 1 run less than the final Target Score for Team 2 off the total number of overs allocated to Team 2 to reach the target.

At knock out stage: In the event of a result not being obtained and further the match cannot be decided by VJD System, for matches up to and including the semi finals the result will be decided as under:

- The team with the most number of wins in the matches up to the previous match
- If still equal, the team with the highest net run rate.
- If still equal then by toss of coin in presence of the Match Referee or in his absence, in the presence of umpires

In the event of a result not being obtained in the Final and if the match is not decided by VJD System, the Teams will be declared as joint winners.

THE BOARD OF CONTROL FOR CRICKET IN INDIA

21.9 Result in a knock out Tournament match (The Tournament does not have League format)

If a match cannot be decided by VJD System the result will be decided as under:

- b) **In the finals** both teams will be declared as joint winners.

Law 25 shall apply with the following addition to Law 25.1:

Umpires are instructed to apply very strict and consistent interpretation in regard to this Law in order to prevent negative bowling wide of the wicket.

Any offside or leg side delivery which in the opinion of the umpire does not give the batsman a reasonable opportunity to score shall be called a wide.

A penalty of one run for a wide shall be scored. This penalty shall stand in addition to any other runs which are scored or awarded. All runs, which are run or result from a wide ball, which is not a no ball, shall be scored wide balls.
